

Plan Your Trip

1. Book Flight

The first thing is to make sure which phase of the fair you need to attend and book transportation according to your schedule. Flights are extremely scarce, many visitors had to cancel their trip due to unavailable flights or hotels in the past. Not to mention that the fair is one day shorter on each phase now. Be more careful this year as the Olympic Games will be held in China, all flights to China, Hong Kong and Macau in July and August are booked out already!

2. Book Hotel

Guangzhou hotels are very limited due the high accommodation demand during Canton Fair, book in advance to avoid disappointment. Its required by Chinese embassy that all Chinese Visa Application must present a valid hotel booking confirmation letter for the stay in China.
